

BOARD OF INVESTMENT – WORK AND LIVE DEPARTMENT

Guidelines for applying for an Occupation Permit (Investor, Self-employed, Professional)

Applicants for Occupation Permit should register with the Board of Investment.

Eligibility criteria for registration

- (1) **Investor:** The business activity should generate a turnover exceeding MRU 3 million annually
If there is more than one investor in the same company applying for an Occupation Permit, the turnover criteria should apply in respect of each applicant (i.e exceeding MRU 6 million for two applicants, exceeding MRU 9 million for three applicants, and so on)
- (2) **Professional:** Basic salary should exceed MRU 30,000 monthly
- (3) **Self-employed:** Income from the business activity should exceed MRU 600,000 annually

Registration Process

A duly filled-in registration form should be submitted along with an application for Occupation Permit. A registration certificate may be issued to eligible applicants.

- An investor should produce his business registration card, company certificate of incorporation and shareholding structure showing him as both director and shareholder.
- A self-employed should produce his business registration card and evidence of qualifications
- A professional should produce his contract of employment, the certificate of incorporation of the company employing him, and evidence of his professional qualifications.

BOARD OF INVESTMENT – WORK AND LIVE DEPARTMENT

Cancellation of an Occupation Permit:

For investor and self employed: The applicant should inform the Board of Investment in writing when he ceases to work and live in Mauritius.

For professional: The employer should inform the Board of Investment in writing upon termination of the employment of the professional.

The Board of Investment may deregister the applicant and notify Passport and Immigration Office to cancel the Occupation Permit and return any bank guarantee submitted. The original permit and card should be returned to the Passport and Immigration Office.

Important information

- ❖ Medical tests should have been done no longer than six months before date of submitting an application for Occupation Permit
- ❖ Children under 12 years of age are not required to do blood tests or chest X ray, unless directed by the medical practitioner. They should however obtain a medical certificate.

- ❖ Dependents include spouse and children under 18 only. Spouse includes both married and common law partners. Children include legally adopted children and children from a previous marriage.
- ❖ Unmarried partners are eligible for six months residence permit, renewable thereafter.
- ❖ In case of divorced parents, evidence of legal custody of child is required. Where the occupation permit holder applies for residence permit for his child but not for the spouse, the consent of the spouse is required.
- ❖ Processing time for Occupation Permit is three working days. For Residence Permit for dependents please allow between three and five working days.

- ❖ Employers should ensure professionals employed by them obtain compulsory registration, where required, with the relevant professional bodies or councils in Mauritius, for example Medical Council, Council of Engineers, etc, BEFORE they start working.
- ❖ The Investor and Self employed should ensure they obtain the relevant permits and licences prior to starting their business activity. They should also comply with conditions of regulated activities.

Note: Applicants are requested to submit one copy of each required document.

Applicants should inform the Board of Investment in writing of any change in their particulars.

An Occupation Permit may be cancelled if the holder no longer satisfies the criteria and conditions of registration, or has acted in contravention to any laws of Mauritius, or has given any false or misleading information at the time of application.

These guidelines may be subject to changes and should not, in any circumstances, be treated as final. Any other information or document not listed above may be requested depending on the application.
